Empower Yourself

By pressing this button, it entitles you to one free 30-minute initial consultation session.

Free Consultation

The initial free Career Coaching consultation consists of the following:

- Career Coach answers simple questions via email, phone, or video consultation**
- Career Coach performs a Job Seeker Screening to determine essential services required to help the Job Seeker meet their goals**

Paid Services

After the initial consultation the Job Seeker may be interested in moving forward with paid coaching services as agreed to by the Job Seeker and Career Coach.

Let's discuss what is preventing you from moving forward in your career.
